WisGOP: Schimel is fighting for Wisconsin families

With no experience, we can't trust Josh Kaul to keep us safe

[Madison, WI] —Brad Schimel is a career prosecutor who is dedicated to keeping Wisconsin families safe. At tonight's debate Schimel showed Wisconsinites that he's fighting for them - from his efforts to curtail the opioid crisis to his work helping keep students safe. Following tonight's debate, the Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

"Hard-working Wisconsin families can sleep a little easier at night knowing that someone like Brad Schimel has their back. As law enforcement's choice for attorney general, Brad is cleaning up our streets and making our communities a better place to live. The choice in this election is between Schimel, a career tough-on-crime prosecutor, and Hillary Clinton's attorney Josh Kaul. There is only one candidate in this race who has what it takes to keep families safe. Brad Schimel is our attorney general."
