[Madison, WI] — Following the announcement of the retirement of Justice Anthony Kennedy, the Republican Party of Wisconsin release the following statement from Executive Director Mark Morgan:

“With today’s announcement that Justice Kennedy is retiring, Wisconsin Republicans look forward to doing our part to help President Trump, Ron Johnson, and the Republican Senate confirm the next Supreme Court Justice. Wisconsin voters watched Senator Tammy Baldwin shamelessly obstruct the confirmation of Justice Neil Gorsuch last year, and they will hold her accountable in November for playing those same Washington political games instead of standing up for Wisconsin families.”
