## **WisGOP: Steil highlights agenda putting Wisconsin first**

*Randy Bryce wants higher taxes and more government control*

[Madison, WI]— Bryan Steil offered real solutions that will help Wisconsinites get ahead. The contrast was evident all night, as Randy Bryce insisted on siding with the far left over hard-working Wisconsin taxpayers. On top of his lengthy arrest record, Bryce's far-left views make him unfit to represent the voters of the First Congressional District. Following tonight's debate, the Republican Party of Wisconsin released the following statement from Chairman Brad Courtney: "Bryan Steil showed throughout tonight's debate what an incredible representative of the people of Wisconsin he would be - he's a problem solver who will fight for lower taxes and help Wisconsin build the best workforce in the world. This stands in stark contrast to Randy Bryce, whose lengthy arrest record and extreme liberal views make him completely unqualified to represent Wisconsin families in Washington."
