[Madison, WI] — Radical liberals are willing to go to extreme lengths to stop President Trump's agenda - including impeachment. In Wisconsin, Randy Bryce talks about [impeachment regularly](#). Around the country, [candidates for U.S. Senate](#) are weighing in on the issue. With her far-left voting record and history of siding with her liberal Washington allies over Wisconsin, Tammy Baldwin needs to make clear where she stands on the issue.

"After supporting President Trump in the 2016 election, Wisconsin voters deserve answers - does Tammy Baldwin support impeaching President Trump?" said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. "Baldwin has one of the most liberal voting records in Washington - it'd be no surprise if she put Washington and her liberal resistance allies ahead of Wisconsin. She should make it clear with the voters of our state before they go to the polls in November."
