WisGOP: Vukmir will bring the Wisconsin way to Washington

Tammy Baldwin's failures and extreme liberal agenda will hurt Wisconsin families [Madison, WI] — Tammy Baldwin's extreme liberal policies would hurt the hard-working taxpayers of Wisconsin. Baldwin's record as a radical and her far-left agenda only serve to forward the goals of liberal special interests, not the hard-working families of our state. Wisconsin Republicans are organized and energized to send Leah Vukmir's Wisconsin way to Washington and send Tammy Baldwin packing.

"Tammy Baldwin is a far-left extremist who has consistently put Washington ahead of Wisconsin," said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. "Baldwin failed veterans at the Tomah VA when she ignored reports of the over-prescription of opioids, she failed taxpayers when she voted in favor of higher taxes and fees over 400 times, and she failed Wisconsin families when she signed on to a plan to end private health insurance for millions. Leah Vukmir will take the Wisconsin way to Washington."
