WisGOP: Wisconsin comeback providing the blueprint to Make America Great Again

President Trump visits Wisconsin to stump with Walker, Vukmir & WISGOP Team [Madison, WI] — President Trump is making America great again – and Wisconsin is the perfect blueprint to help him do it. Thanks to reforms of Wisconsin Republicans like Scott Walker and Leah Vukmir, Wisconsin’s comeback is real. More people are working than ever before, our unemployment rate has been at or below 3% for eight months straight, and hard-working Wisconsin families are saving more of their hard-earned money thanks to tax relief. With President Trump bringing his latest MAGA rally to Wisconsin, the Republican Party of Wisconsin released the following statement from Chairman Brad Courtney:

“Scott Walker and Leah Vukmir helped spark Wisconsin’s comeback. Thanks to them, we’re moving Wisconsin forward. Now with a strong conservative in the White House, I know that President Trump will look to Wisconsin as the perfect example of what bold conservative reforms can accomplish. These last two weeks, we’re ready to do everything we can to re-elect Scott Walker and send Tammy Baldwin packing by electing Leah Vukmir. It’s time to take our Wisconsin way to Washington.”
