The 7th District Republican Party of Wisconsin is excited with the announcement of State Senator Tom Tiffany to be a candidate for the upcoming special election to fill the seat vacated by Congressman Duffy.

Senator Tiffany is a proven leader. His record as a conservative reformer has cleared the path for our current blue-collar recovery and record economic growth. Like President Trump and Congressman Duffy, Senator Tiffany is a champion of middle-class tax cuts and vigorous advocate for the reduction of overbearing regulations.

While the field is still developing, we look forward to drawing contrast between our Republican candidate's pro-growth and freedom agenda versus big-government authoritarian mandates of the socialist left.
