MADISON, Wis. – Attorney General Josh Kaul issued the following statement after today’s shooting at Waukesha South High School:

“No student should have to go through a day like the one that students at Waukesha South went through today. And no parent should have to go through a day like the one those students’ parents had today.

“My thoughts are with the Waukesha community and the Waukesha School District. Our Office of School Safety has reached out to offer assistance to the school district.

“A school resource officer and first responders helped prevent this event from potentially becoming even more tragic than it was. We thank them for their bravery and their service.”
