

# Assembly sends 9/11 memorial bill to Evers' desk

Posted on Thursday, Oct 10, 2019

The Assembly today unanimously approved a bill that would designate a section of state highway 28 in Dodge and Washington counties as the “Wisconsin 9/11 Memorial Highway.”

The section of highway runs through the Village of Kewaskum and by a 9/11 memorial being built there.

After the bill cleared the Senate earlier this week, it heads to Gov. Tony Evers Desk.
