

# Assembly sends lemonade stand bill to Evers' desk

Posted on Thursday, Oct 10, 2019

The Assembly today passed by voice vote a measure that would allow minors to operate temporary stands without a permit or license.

The measure, which cleared the Senate on Tuesday, now heads to Gov. Tony Evers' desk.

Other bills the Assembly signed off on that now head to Evers desk include:

\*SB 266, which would require municipalities and Marquette University to continue paying the health insurance premiums of the surviving spouse or children of a law enforcement officer who dies in the line of duty. Current law includes a similar requirement for the surviving spouse and children of firefighters who die in the line of duty.
