(Hudson, WI) – Jason Church, Republican candidate for Congress in Wisconsin’s Seventh Congressional District released the following statement on today’s impeachment vote:

“With Democrats set to vote to impeach President Donald Trump today, it is clear we must rally behind our President. Democrats and career politicians are voting to impeach because they are simply trying to preserve their political power. By doing so, they are dismissing the votes of millions of Americans, particularly those of us in Wisconsin, who voted for President Trump in 2016. But we will not be silenced. I supported Trump from day one. I will continue to fight for him and work with him in Congress on behalf of Wisconsin’s Seventh Congressional District.”
