MADISON — The following is a statement from Democratic Party of Wisconsin chair Ben Wikler on news that Rep. Sean Duffy will be resigning from Congress:

“The Democratic Party of Wisconsin sends its well wishes to the Duffy family as they face the medical challenges ahead. During the fight against the repeal of the Affordable Care Act, I worked closely with the families of children born with congenital heart defects. Nurturing these children is a full-time job, and one that takes great emotional strength from the families who love them. I will be hoping for the best for Sean and Rachel as they prepare to welcome their child to the world.”
