Madison, Wis. (August 15, 2019) – This year’s freshman class arrives Sunday, August 18, to begin orientation for the Year of Partnership 2019-’20. Classes begin for the fall semester on Wednesday, August 21, 2019.

“We are honored these students will continue their academic journeys at Edgewood College,” Amber Schultz, Vice President for Enrollment Management, said. “They have already demonstrated their commitment both in and out of the classroom. They will be challenged further to build a better world through their study, their leadership, and their service. I know they will embrace that opportunity.”

While Wisconsin students continue to make up the majority of the freshman class, the students we welcome this fall also hail from Illinois, Iowa, Kansas, Kentucky, Minnesota, and Pennsylvania.
