“Brad Courtney did an incredible job as the chair of our state party! Against amazing odds, he helped us retain a Supreme Court Justice, fight off recall elections against our state senators and helped Rebecca Kleefisch and me win historic recall elections. Then, he helped us win re-election, elect another Supreme Court Justice, re-elect Ron Johnson, help the Republican ticket (Trump/Pence) carry Wisconsin for the first time since 1984, keep our Republican members of Congress and grow our Republican majorities in state Legislature.

“Through it all, Brad never lost sight of the grassroots as the key to winning elections. Then, he gave us plenty of support so we could show that the R doesn't just stand for Republican – but for Reformer. Wisconsin and America are better off because of Brad Courtney's leadership.”
