MADISON — Gov. Tony Evers has announced the theme for the 2019 State Capitol Holiday Tree. Each year, students from around the state are invited to make ornaments to hang on the holiday tree that is displayed in the Rotunda of the Wisconsin State Capitol. In a letter to teachers across the state, Gov. Evers announced the theme for this year is “Celebrate Science.”

“I first began my career as a science teacher in Baraboo, so I know how important science is to the future of our state,” said Gov. Evers. “From computer science to dairy science, to clean water and natural resources, to sustainability and renewable energies, this year we want students to make holiday ornaments that celebrate what science means to them, their families, and their communities.”

“Celebrate Science” themed ornaments should be sent by Fri., Nov. 22, 2019 to:

Claire Franz

Wisconsin Department of Administration

Division of Facilities Development & Management

17 West Main Street, Suite 119

Madison, WI 53703

The letter sent to Wisconsin educators with additional information and instructions regarding the 2019 State Capitol Holiday Tree can be found [here](#).
