MADISON — Gov. Tony Evers today released the following Memorial Day statement:

“On this day of remembrance, and always, we honor those who left their mark on history. We memorialize the sacrifices they made for the sake of our freedom, our children’s generations, and our nation’s future. As the benefactors of their legacy, we must ensure that the achievements and sacrifices of those who served are never forgotten. Today, and always, we will think of our service members, their families, and their friends and the role they have all played in protecting our values and the things we hold dear.”
