Friends of Brian Hagedorn responds to latest smear:

Judge Hagedorn treats everyone fairly under the law. His job is to say what the is and not what he thinks the law should be. He is running for the Supreme Court to protect religious freedoms for all Wisconsinites, regardless of faith. Yet the latest smear is just another example of attacks on his own faith. Lisa Neubauer and her liberal allies will stop at nothing to take over the Supreme Court, even smearing Judge Hagedorn for founding a Christian school to better the lives of children.
