After evaluating both challengers to Scott Walker-appointed Justice Daniel Kelly, **here's the verdict from the 15,000 workers of IBEW State Conference: Judge Jill Karofsky is by far the best choice to be the next Justice of the Wisconsin Supreme Court.**

Working families in Wisconsin are tired of seeing judges contort their rulings to fit the interests of big-money donors, instead of fairly applying the rule of law. **Jill's Wisconsin values ensure that she'll be a Supreme Court Justice for all of us, without fear or favor.**

That's why we're proud to be part of **Jill's grassroots campaign, with the broadest base of support** — volunteers, donors, and endorsers from across Wisconsin who don't want anything special, just fairness in our courts.

Like many of our members, Jill's a working mom. And **she's the only person in this race who is or has ever been a trial court judge or a victim advocate.** She reminds us of Justice Rebecca Dallet, who showed us all how to win tough campaigns like this. Make no mistake, this will be a tough race. But with your help, we can win on February 18th and April 7th.
