Milwaukee — “It’s clear who won this debate — Chief Judge Lisa Neubauer forcefully prosecuted the case that self-described ‘culture warrior’ Judge Hagedorn has never given up on his partisan crusade,” said Tyler Hendricks, Campaign Manager. “Whether it’s his blog writings on constitutional issues, his personal involvement in a school that discriminates against LGBTQ students, teachers, and staff, or taking money from an organization that the Southern Poverty Law Center calls a hate group. Judge Neubauer has the experience, temperament, and the trust of the judicial and law enforcement communities that she will be the fair, impartial, and independent choice on the Wisconsin Supreme Court.

“Voters are left with more questions than answers,” said Hendricks. “If he’s so proud of his work with the Alliance Defending Freedom, why won’t he release his speeches? If his blog was harmless and irrelevant, why did he delete it? Why is he lying about the school’s policy to ban gay students?”
