Scott Walker Seeks Ride to Relevance in Clown Car

MADISON, Wis. — The following are the statements of One Wisconsin Now Executive Director Analiese Eicher regarding Donald Trump's visit to Wisconsin:

“Donald Trump's visit to Wisconsin promises to be more of the same circus and spectacle that is the hallmark of his administration.

“Wherever he goes, Donald Trump sows fear and division to distract from his scandals and failures.

“With negative job approval ratings every day of his tenure, the people of Wisconsin have shown they are neither entertained nor believe they are being well served by Donald Trump.

“Politicians like Scott Walker, desperately seeking a ride to relevance in the Donald Trump clown car, are complicit in the outrages and failure to which Trump is subjecting our state on issues from taxes and healthcare to education and the environment.”
