Statement from state Rep. Romaine Quinn, R-Barron, passing on a run for the 7th CD and endorsing state Sen. Tom Tiffany, R-Minocqua:

“I am so thankful for everyone that reached out and encouraged me to run. However, as my wife and I hope to start a family, a congressional campaign and work schedule would be more than we want to take on right now. It would also pull me too far away from the people in the 6 counties I currently represent.”

“From fixing the dairy crisis to supporting our manufacturers — I know that Tom understands the issues we face. We need another authentic, northern Wisconsinite to punch back against the progressive elites in Washington that continue to look down their noses at our people and our rural way of life”
