MADISON...Representative Tyler August (R-Lake Geneva) released the following statement upon the announcement by Congressman Sean Duffy of his plans to resign.

“I want to thank Congressman Duffy for his service to our state and nation. His dedication to the party as well as his constituents of the northwoods is unmatched. Over the years he has accomplished a great deal and we are thankful for his service.

While Sean and I have been political allies for years, he has much more importantly become a close friend. I know he and Rachel have not arrived at this decision easily, but I trust that it is the best decision for their family at this time. Knowing Sean and Rachel, I look forward to their continued involvement in the conservative movement in our state. Please join me in sending prayers and well wishes to the entire Duffy family.”
