Rep. Brandtjen- (414) 915-8425

Madison- State Representative Janel Brandtjen (R- Menomonee Falls) issued the following statement regarding Governor Evers veto of the middle class tax cut:

“Governor Evers made a middle class tax cut one of his main campaign promises. Today he broke that promise. The legislature put a middle class tax cut on his desk and he choose to not sign the bill. He said he would support a middle class tax cut, he didn’t say he was going to punish job creators by eliminating incentives for manufacturers or redistribute wealth through a ‘refundable tax credit.’ Governor Evers has already forgotten the middle class. We’re the people who go to work every day so we can continue to pursue the American dream. It didn’t take long for the Governor to show his true colors.”

Rep. Brandtjen is committed to moving Wisconsin forward through conservative principles and free market job creation. She is dedicated to market based solutions to today’s challenges and promotes educational options for students and parents. She provides strong leadership in Madison while bringing real representation to the taxpayers of the 22nd district.
