Hintz welcomes Governor Evers as he is sworn in

MADISON, WI - Assembly Democratic Leader Gordon Hintz (D-Oshkosh) released the following statement after Tony Evers was sworn in as the 46th Governor of the State of Wisconsin:

“I, along with the people of Wisconsin, welcome Governor Tony Evers and Lieutenant Governor Mandela Barnes as they were sworn in to office earlier today,” Rep. Hintz stated. “I am hopeful that the political divisions of the past eight years can now begin to heal. Governor Evers’ message of working together to improve the lives of Wisconsin families is powerful and needed at this moment in our state’s history. Assembly Democrats stand ready to work with the Evers’ Administration to promote affordable and accessible health care, fully funding public education, and fixing our transportation infrastructure.”
