**La Crosse, WI** – Today, **Rep. Ron Kind** is encouraging Wisconsinites to take advantage of the Open Enrollment period to sign up for health care coverage. The open enrollment period will last from November 1st to December 15th. During this time Wisconsinites can get health care coverage or make changes to their health care plan by visiting [healthcare.gov](http://healthcare.gov).

“I encourage Wisconsinites to take advantage of this year’s open enrollment period to sign up for affordable, quality health care,” said **Rep. Ron Kind**. “This time each year gives folks the chance to make changes to their current health care plan and look at other options to ultimately ensure that they are purchasing a plan that fits their needs. In fact, most people can find a plan with no-cost preventative care and may be eligible for tax credits to assist with monthly premiums.”

In addition, Wisconsin seniors can make changes to their Medicare health and drug plans from October 15 to December 7.

If you have questions about signing up, want to talk through your options with a trained professional, or find an open enrollment event near you, call **211** or visit [GetCovered.WI.gov](http://GetCovered.WI.gov).
