MADISON - Today, Representative Tod Ohnstad (D-Kenosha) issued the following statement on Governor Tony Evers's State of the State Address:

"I am optimistic about the future state of our state as Governor Tony Evers moves Wisconsin forward. Governor Evers's vision of access to healthcare for all, family-supporting jobs, better schools, and improved roads has broad support from Kenosha residents across the political spectrum. I look forward to working with my legislative colleagues on a bipartisan basis to achieve these commonsense goals."
