MADISON- Yesterday, the State Assembly unanimously passed [Assembly Joint Resolution 21](#), authored by Rep. Katrina Shankland to congratulate the University of Wisconsin-Stevens Point men's hockey team on their recent national championship win.

In response, Rep. Katrina Shankland said:

"I'm excited to welcome the UW-Stevens Point men's hockey team to the State Capitol! It has been a great day of celebrating our Pointers, from unanimously passing a resolution in the Assembly in the team's honor to visiting with and receiving a plaque from Governor Evers. The team has made our entire campus, community, and state immensely proud in winning the 2019 NCAA Division III Men's Hockey national championship title, and I was so glad to honor the team, coaching staff, and athletic director today in the Capitol."
