*Vetoes Replacement of Green Bay Correctional Institution*

**Madison**—Today Representative David Steffen (R-Howard) released a statement on Governor Evers' budget action.

“Despite his initial public statements supporting the replacement of Green Bay Correctional Institution, Governor Evers reversed course and caved to the liberal Madison political machine rather than listening to the state’s contracted experts or the thousands of residents, businesses and community leaders who supported this solution. Sadly, Governor Evers’ decision means GBCI, the most dangerous place in Wisconsin, will continue to degrade, waste even more taxpayers’ dollars and accelerate the operational and safety crisis at our state’s most notorious prison.” says Rep. Steffen
