**MADISON** – Assembly Majority Leader Jim Steineke (R-Kaukauna) released the following statement following the Joint Finance Committee’s vote to set aside \$3.25 million to combat homelessness in Wisconsin:

“I would like to extend my sincerest gratitude to the Joint Finance Committee – on behalf of myself, my Republican colleagues who are invested in this issue, and the thousands of homeless people across our state – for their commitment to ending homelessness here in Wisconsin. Prioritizing these initiatives will help ensure everyone has a safe place to call home and create positive, lasting effects in every corner of our state.

“With this support, we will continue taking the [legislative steps](#) necessary to implement the [comprehensive plan from the Interagency Council on Homelessness](#). I look forward to bringing these bills to the Assembly floor in the coming weeks and delivering them to Governor Evers’ desk.”
