Madison...Speaker Robin Vos (R-Rochester) released the following statement concerning the comments recently made by Governor Evers on Foxconn.

“Since the election, I have been concerned that Governor Evers would try to undermine the state’s contract with Foxconn. Luckily, WEDC negotiated an ironclad contract with expectations from both sides.

“As Foxconn works to create 13,000 jobs in Wisconsin, I’m open to hearing if any flexibility is needed to achieve that goal, which I hope is the intent of Governor Evers.”
