Milwaukee—Rep. JoCasta Zamarripa released the following statement on Gov. Tony Evers first State of the State address:

“Last night’s State of the State filled me with hope that things in Wisconsin can be better. We have a governor for all Wisconsinites. Someone who cares about expanding affordable and accessible healthcare, investing in education and building an economy that works for all of us.

“I’m so proud to call Tony Evers our governor, and I’m so excited to see what the next four years will bring.”
