Madison, WI – Today, State Representatives Barbara Dittrich (R-Oconomowoc) and Lisa Subeck (D-Madison) shared the following statement regarding the Speaker's Task Force on Adoption public hearing held in Balsam Lake:

“As chair and vice-chair of the Speaker's Task Force on Adoption of behalf of the members, we would like to extend our thoughts and prayers to the people of Balsam Lake and the surrounding communities who have been affected by the recent storms and subsequent damage. We would also like to thank the Polk County Sheriff Department, area first responders, and Unity School District for their commitment in serving not only their community through recovery/relief efforts but the state in being willing to continue with plans to host and share their thoughts for the public hearing today. While we understand the importance of the topic being discussed here today, we are mindful of the challenges faced during the storm recovery process. We would like to invite anyone who was unable to attend the hearing today to share their thoughts on the Speaker's Task Force on Adoption website.”
