[Madison, WI] – Moments ago, President Donald Trump officially announced his 2020 re-election campaign. In just two and a half years, President Trump has taken our nation out of eight years of broken Democrat policies and ushered in a new wave of American success. Our economy is roaring, six million jobs have been created, the unemployment rate is the lowest rate since we landed on the moon, our veterans are receiving the care they deserve, and we are finally back to being a leader on the world stage. Tonight's 2020 campaign launch resonates loudly with the Wisconsin people: We need four more years of President Trump making America great!

In response to President Trump's re-election announcement, the Republican Party of Wisconsin issued the following statement from Chairman Andrew Hitt:

"Volunteers and activists all across Wisconsin are ready to hit the ground running to re-elect President Trump in 2020. Door by door, phone call by phone call, neighborhood by neighborhood, the Wisconsin Republican Party and the Trump Victory organization will work hand in glove to turn out our massive base of support and make sure Wisconsin stays red in 2020."
