Madison – State Senator Alberta Darling released the following statement after Milwaukee Tool announced a major expansion bringing 770 jobs to Menomonee Falls by 2025:

“I’d like to congratulate Milwaukee Tool for their decision to expand and grow right here in Wisconsin. Creating 770 additional jobs in Menomonee Falls is great news for our area and for the state.

It’s great to see companies like Milwaukee Tool making significant investments and creating jobs in our state. Thanks to our reforms, it’s clear Wisconsin remains open for business.”

Senator Darling represents portions of Milwaukee, Ozaukee, Washington and Waukesha Counties.
