Madison, WI — Today, Senator Scott Fitzgerald is announcing in-district listening sessions for spring 2019. Constituents will have the ability to offer input and hear directly from Sen. Fitzgerald and their state representatives at these meetings scheduled throughout the 13th Senate District.

“Hearing feedback from constituents on their outlook for our state is one of the most important parts of my job,” said Senator Fitzgerald. “These listening sessions offer residents of the 13th Senate District the ability to share their concerns about Governor Evers’ budget and have an impact on the work we’re doing in Madison.”
