Wisconsin is Better because of Gwen T Jackson

MADISON – Representative Bowen released the following statement regarding the recent passing of Gwen T Jackson:

“The Great Gwen T Jackson embodied the humanitarian and giving nature of the great people of Milwaukee. I was honored to meet her at Alice’s Garden while I served on the Milwaukee County Board. Throughout her long life, Gwen selflessly gave her time and energy to help our community and the entire state. I thank her and her family for her contributions and encourage all Wisconsinites to model after her generosity and spirit”
