MILWAUKEE – Dean Warsh, Business Manager of International Brotherhood of Electrical Workers (IBEW) Local 494, issued the following statement following Governor Evers first State of the State Address:

“Governor Evers was a breath of fresh air today. We applaud the governor on his vision of a brighter future for all working families. Thank you Governor Evers for taking immediate action to lift up the middle class and those striving to get there, it shows that the governor is putting working families first.”
