This is an incredible day for the City of Milwaukee! The DNC Convention in 2020 will be a great opportunity for businesses and people all across the city to play a role in the largest event ever to be held in Milwaukee.

I want to personally thank the members of our bid committee for putting forth such an exceptional effort and proposal. We have great partners and it was truly a dynamic team effort that helped Milwaukee rise to the top.

We have a special city and we are truly blessed to have been selected for this incredibly important event that will put Milwaukee in the global spotlight.

Thank you again to our partners and thank you DNC!
