Wausau, Wis. — U.S. Congressional Candidate Tom Tiffany dominated at the No Better Friend Forum on Thursday, where he talked about how his farm work ethic, small business experience and conservative credentials make him the better candidate on the economy, national security, life and freedom.

After the forum, Tiffany released the following statement:

“I’m in this race to save the American dream for my daughters — and for your children and grandchildren — and to work with President Trump to keep America great. Growing up on a small family farm near Elmwood, I learned the value of hard work from my mom and dad. It’s time to take that Wisconsin farm work ethic and roll up my sleeves in Congress.

“There is only one consistent conservative running in this race. As your representative in Congress, I will fight for life. I will fight for the 2nd Amendment. I will fight for your property rights. I will fight to lower taxes. And I will fight for freedom.”
