(SAN FRANCISCO, September 12, 2019) — Today, on the same day that the House Judiciary Committee is scheduled to vote on the scope of an impeachment investigation, candidate for the presidential Tom Steyer reasserted his call for the impeachment of Donald Trump by launching a new six-figure ad campaign on Fox and Friends. Steyer's 30-second ["Not Even You, Donald" ad](#) highlights the impeachment movement begun by Steyer more than two years ago, which has grown to more than 8.3 million people pushing to hold Trump accountable for his criminal behavior.

Steyer was the first presidential candidate to call for Trump's impeachment. Following Robert Mueller's findings, almost every presidential candidate and over half of Democrats in the House now favor impeachment. Steyer has consistently pushed Congress, and Democratic House leadership, to move forward with impeachment proceedings. Steyer's ad will run on Fox News, CNN, and MSNBC nationally, and in the DC market on Fox News.

"I started Need to Impeach two years ago because Donald Trump has always been corrupt and a threat to our democracy," **Steyer** said in the ad. "Since then, over eight million people, almost every Democratic presidential candidate, and over half the Democrats in the House of Representatives support impeachment."

"Mueller's investigation exposed crimes and cover-up," **Steyer** continued. "And now this week, the House Judiciary Committee is supposed to start a formal impeachment proceeding.... No one should be above the law. Not even you, Donald."

The new ad campaign comes as Steyer recently secured a spot on the Democratic

National Committee debate stage in October by gaining his fourth qualifying on Sunday, September 8.
