**GREEN BAY, WI** - Congressman Mike Gallagher (R-WI) today released the following statement following President Trump's rally in Green Bay, WI.

*"I'm glad that President Trump chose to come to Green Bay over the White House Correspondents Dinner. Our community is a shining example of how real economic growth comes from the bottom up, not from Washington DC.*

*"Whether it's finding ways to strengthen our military, invest in our infrastructure, or provide transparency in healthcare, there's more to be done. Now it's time for Congress to get back to work and build on this momentum."*
