**Washington, D.C.** - Tonight, **U.S. Rep. Ron Kind** released the following statement in response to the President's State of the Union address:

"We can all agree: America needs unity.

We don't need a Republican or Democratic agenda - we need an American agenda. I was encouraged to hear bipartisan proposals in tonight's State of the Union, including a commitment to lowering drug prices, rebuilding our failing infrastructure, and investing in cancer research.

I stand ready to work with all of my colleagues to find common ground, and will fight to break down the hyper-partisanship in Congress to make life better for Wisconsinites. There is far more that brings us together than divides us."
