**Washington, D.C.**—Today, **Congressman Jim Sensenbrenner** (WI-05) issued the following statement after negotiators announced they reached a final deal on the United States Mexico-Canada-Agreement (USMCA):

*“This is a huge win for America and for Wisconsin. It is a boon for our state’s dairy farmers who will have more access to Canadian markets. After enduring months of needless delay, I am eager to vote for the deal and am grateful to the Trump administration for their tireless work reaching an agreement.”*
