**PLEASANT PRAIRIE, WISCONSIN**—Today, Bryan Steil joined Vice President Mike Pence at Uline in Pleasant Prairie, Wisconsin to promote the passage of the United States-Mexico-Canada Trade Agreement (USMCA).

“It is great to join Vice President Pence in Pleasant Prairie. This is an exciting opportunity to highlight Southeast Wisconsin’s manufacturing industry and the importance of passing USMCA. Speaker Pelosi must bring USMCA to the House floor for a vote. Improving access to Canada and Mexico’s markets will help manufacturers and farmers sell their goods, increase workers’ wages, and grow their industries. USMCA is a win for Wisconsin.”

Earlier this week, Steil addressed the House of Representatives and urged Speaker Pelosi to allow a vote on USMCA. You can watch the floor speech [here](#).
