JANESVILLE, WISCONSIN—Today, Bryan Steil released a video statement recognizing National Police Week, May 12-18, 2019. All week, Steil will recognize and honor the law enforcement community on his social media channels, @RepBryanSteil.

Full remarks:

To our police officers, thank you!

As we begin National Police Week, let's all take a moment to honor our police officers and law enforcement.

They work day in and day out protecting our communities, risking their lives to save strangers.

I've seen their work firsthand on ride-alongs with the Janesville and Racine Police Departments.

They are selfless, brave, men and women who never back down when tragedy strikes.

You're there when people need you most.

Thank you for your continued efforts to prevent opioid abuse, human trafficking,

and drug crimes in our communities.

I'm committed to supporting you and your efforts at the federal level.

On behalf of the First District, thank you to those who protect and serve.
