**WASHINGTON** — U.S. Sen. Ron Johnson (R-Wis.), chairman of the Senate Homeland Security and Governmental Affairs Committee, said this Tuesday night following President Trump's State of the Union address:

**“Tonight, President Trump outlined a vision for Republicans and Democrats to work together to build a safer, more prosperous and secure country for every American. In many respects, the speech was a celebration of America — its heroes and accomplishments. I hope we can all be inspired by it and respond to the president’s call to choose greatness.”**
