(WAUKESHA, WI) – “Jim Sensenbrenner is a stalwart conservative and the most dedicated representative of his constituents that our state has ever seen. His passion to serve the people of his district has not waned in his 40 years in Congress. Having had bills signed by six presidents, both Republican and Democrat, that have served during his tenure says so much about his ability to get things done in the best interest of our country.

“Jim is a model public servant that we can all hope to emulate. I continue to value our friendship and wish him the best of luck for a healthy and rewarding retirement.”
