

Wisconsin Conservative Digest Keep America Great Conference

Posted on Wednesday, May 29, 2019

On June 6, I hope that you will join a great group of grassroots activists in West Allis, Wisconsin from 5-9 PM. The event – sponsored by Bob Dohnal and the Wisconsin Conservative Digest – will feature Mike Mears, Director of Strategic Partnerships and Faith Engagement for Trump Victory. Mike will be conducting a training to prepare Wisconsin activists for the 2020 campaign.

This will be a critical election, and we need to be working together in order to re-elect President Trump, and ensure peace and prosperity for our entire nation.

Please register for the June 6 Keep America Great event here (includes location and times).

Free pizza, refreshments and beer!

Additional details of event:

5-6 PM Social Hour & American Majority Campaign Training

The Wisconsin Conservative Union and sponsors of this event will provide refreshments (including pizza!) during the social hour – a time to reconnect with other Wisconsin conservatives. Also available during this time is training from American Majority, led by Matt Batzel, who will provide a crash course on local campaigns, to include how to organize grassroots volunteers and get out the vote.

6-9 PM KEEP AMERICA GREAT PROGRAM

The program, with Kevin Nicholson as emcee, will feature training, a few individual speakers, and a panel.

Trump Victory Training

The Trump Victory team knows Wisconsin is vital to the President's re-election. They are sending Mike Mears, Director of Strategic Partnerships and Faith Engagement for Trump Victory, to provide training to turn out Wisconsin conservatives to re-elect President Trump.

Winning New Voters Speakers

To attract new conservative voters to our cause, we must discuss the issues that are the most important to them. Learn more about two of these key issues — school choice and public safety — from Wisconsin experts in the field: Tammy Olivas (Outreach Director of Hispanics for School Choice) and a top Milwaukee public safety official.

Organizing the Grassroots Panel

Join some of the top grassroots organizers in the state, as they discuss the best tactics to organize and win new voters. Panelists will include event organizer and long-time Wisconsin conservative activist Bob Dohnal, and several others.

EVENT SPONSORS INCLUDE: Bob & Jean Dohnal and the Wisconsin Conservative Digest, Bill McCoshen, Kevin Nicholson, Republican Party of Wisconsin, and many others. If you would like to sponsor the event and help defray the cost of refreshments and renting the facility, please contact Bob at rdohnal@earthlink.net.
