MADISON – Wisconsin Manufacturers & Commerce (WMC) President & CEO Kurt Bauer released the following statement after U.S. Rep. Jim Sensenbrenner announced that he will not seek reelection in 2020:

“Congressman Sensenbrenner has been a strong advocate for his district and Wisconsin for more than 40 years. Wisconsin’s business community has enjoyed a productive relationship with him during his time in office, and he has been both a true statesman and protector of free enterprise in Washington. His leadership and knowledge will be missed. WMC thanks him for his years of public service and wishes him all the best in the future.”
