Wisconsin Right to Life PAC has endorsed Brian Hagedorn for the April 2019 Wisconsin Supreme Court race.

“When we look at candidates running for this position, we want to ensure they will serve in a capacity to enforce laws and not legislate from the bench. Far too often our pro-life laws are challenged in court and we need to ensure when challenges occur that there is not an opportunity for judges to create law that will favor pro-abortion activists and legislators,” shared Heather Weininger, Executive Director of Wisconsin Right to Life PAC.

As a Wisconsin Supreme Court Justice, Judge Hagedorn will apply the law as written and determine if it is constitutional. He intends not to create law, but apply the law as a true jurist.
